

EASTBOURNE SWIMMING CLUB

C/O 15 NETHERFIELD AVENUE

EASTBOURNE

EAST SUSSEX, BN23 7BS

26th February 2010

Dear Open Water Swimmer,

As a previous entrant of competitions held at Eastbourne we are pleased to advise the Town is again hosting the following two SER series championship events this year :-

- **Saturday 17th July: Sussex & SER Open 5 km Water Championships over starting 1.30 pm**
- **Sunday 18th July: Eastbourne Maritime Open Water 2 km competition starting at 2.30 pm**

The start and finish of both races will again be from the beach opposite the Langham hotel and entry forms are appended. The courses are as per 2009 (see attached maps). To avoid disappointment it is suggested entries are submitted well before the closing date (entries are being accepted on an as received basis). We look forward to seeing you again at one or both competitions. Should you decide to have a weekend at the seaside please see attached list of sensibly priced accommodation within walking distance of the start/finish beach.

To make life easier for competitors please note arrangements have been made for Eastbourne SC to receive electronic payment of entry fees on behalf of the Sussex ASA. It is therefore only necessary to make one transfer if you are taking part in both events. Please reference your payment :-

5 & 2K-Name (e.g. 5 & 2K-J Waters)

Should a payment be for a number of swimmers, please send a covering e-mail with your entry (to: jethomas@waitrose.com) listing all competitors and the event(s) entered.

Best Wishes

Jane
