Parents of members under the age of 18

There have been occasions where parents of members have used social networking sites to criticise or verbally abuse an organisation, its officers, officials, coaches, teachers, and/or members in an inappropriate and unacceptable manner. This has, in some cases, led to the person who is the subject of the abuse to take action through statutory agencies or statutory legislation to address the comments made. Parents are expected to behave responsibly as a spectator at all training sessions, events and activities, and treat members, coaches, committee members and parents of other members of any aquatics organisation, be that your child's organisation or not, with due respect in order to meet the ASA's commitment to equality and diversity.

Parents should be aware that posting any content on a social networking site that breaches the above requirements may breach the parent's Code of Conduct.
